**NOTICE OF (I) PENDENCY OF CLASS ACTION AND CERTIFICATION OF SETTLEMENT CLASS;
(II) PROPOSED SETTLEMENT; (III) SETTLEMENT HEARING; AND (IV) MOTION FOR AN AWARD
OF ATTORNEYS' FEES AND REIMBURSEMENT OF LITIGATION EXPENSES**

TO: All persons and entities who or which purchased the publicly traded common stock of Amedisys during the period from August 2, 2005 through September 30, 2011, inclusive (the "Settlement Class Period"), and were damaged thereby.¹

A Federal Court authorized this Notice. This is not a solicitation from a lawyer.

NOTICE OF PENDENCY OF CLASS ACTION: Please be advised that your rights may be affected by the above-captioned securities class action (the "Action") pending in the United States District Court for the Middle District of Louisiana (the "Court").

NOTICE OF SETTLEMENT: Please also be advised that the Court-appointed Lead Plaintiffs, the Public Employees' Retirement System of Mississippi ("Mississippi PERS") and the Puerto Rico Teachers' Retirement System ("Puerto Rico TRS" and, collectively with Mississippi PERS, "Lead Plaintiffs"), on behalf of themselves and the other members of the Settlement Class (as defined in ¶ 31 below), have reached a proposed settlement of the Action with Defendants Amedisys, Inc. ("Amedisys" or the "Company"), and Wendy Stabiler Borne as the Independent Executrix of the Succession of William F. Borne, Jeffrey D. Jeter, Dale E. Redman, Larry R. Graham, Alice Ann Schwartz, Gregory Browne, and John F. Giblin (the "Defendants" and together with Lead Plaintiffs, the "Parties") for \$43,750,000 in cash (the "Settlement"). If approved, the Settlement will resolve all claims asserted in the Action.

PLEASE READ THIS NOTICE CAREFULLY. This Notice explains important rights you may have, including the possible receipt of cash from the Settlement. If you are a member of the Settlement Class, your legal rights will be affected whether or not you act.

If you have any questions about this Notice, the proposed Settlement, or your eligibility to participate in the Settlement, please DO NOT contact Defendants, their counsel, or Lead Plaintiffs. All questions should be directed to Lead Counsel or the Claims Administrator (see ¶ 86 below).

1. **Description of the Action and the Settlement Class:** This Notice relates to a proposed Settlement of claims in a pending securities fraud class action brought by investors alleging, among other things, that Defendants violated the federal securities laws by issuing materially false and misleading public statements that misrepresented Amedisys's compliance with Medicare regulations and failed to disclose that Amedisys's reported revenues, earnings and earnings per share were materially inflated by fraudulent Medicare billing practices during the Settlement Class Period. A more detailed description of the Action is set forth in ¶¶ 11-30 below. The proposed Settlement, if approved by the Court, will settle claims of the Settlement Class, as defined in ¶ 31 below.

2. **Statement of the Settlement Class's Recovery:** Subject to Court approval, Lead Plaintiffs, on behalf of themselves and the other members of the Settlement Class, have agreed to settle with Defendants in exchange for a settlement payment of \$43,750,000 in cash (the "Settlement Amount"), which will be deposited into an escrow account controlled by Lead Counsel. The Net Settlement Fund (i.e., the Settlement Amount plus any and all interest earned thereon (the "Settlement Fund") less (a) any Taxes, (b) any Notice and Administration Costs, (c) any Litigation Expenses awarded by the Court, and (d) any attorneys' fees

¹ All capitalized terms used in this Notice that are not otherwise defined herein shall have the meanings ascribed to them in the Stipulation and Agreement of Settlement dated August 4, 2017 (the "Stipulation"), which is available at www.AmedisysSecuritiesLitigation.com.

awarded by the Court) will be distributed to Settlement Class Members in accordance with a plan of allocation that is approved by the Court. The proposed plan of allocation (the “Plan of Allocation”) is set forth on pages 8-10 below.

3. **Estimate of Average Amount of Recovery Per Share:** Based on Lead Plaintiffs’ damages expert’s estimate of the number of shares of Amedisys common stock purchased during the Settlement Class Period that may have been affected by the conduct at issue in the Action, and assuming that all Settlement Class Members elect to participate in the Settlement, the estimated average recovery (before the deduction of any Court-approved fees, expenses and costs as described herein) is \$1.78 per affected share of Amedisys common stock.² Settlement Class Members should note, however, that the foregoing average recovery per share is only an estimate. Settlement Class Members may recover more or less than this estimated amount depending on, among other factors, when and at what prices they purchased or sold their shares and the total number of shares for which valid Claim Forms are submitted.

4. **Average Amount of Damages Per Share:** The Parties do not agree on the average amount of damages per share that would be recoverable if Lead Plaintiffs were to prevail in the Action. Among other things, the Defendants do not agree that they violated the federal securities laws or that damages were suffered (at all, or in the amount contended by Lead Plaintiffs) by any members of the Settlement Class as a result of their conduct.

5. **Attorneys’ Fees and Expenses Sought:** Plaintiffs’ Counsel, which have been prosecuting this Action on a wholly contingent basis since its inception in 2010, have not received any payment of attorneys’ fees for their representation of the Settlement Class and have advanced the funds to pay expenses necessarily incurred to prosecute the Action. Court-appointed Lead Counsel, Bernstein Litowitz Berger & Grossmann LLP and Wolf Popper LLP, will apply to the Court for an award of attorneys’ fees for all Plaintiffs’ Counsel in an amount not to exceed 20% of the Settlement Fund. In addition, Lead Counsel will apply for reimbursement of Litigation Expenses paid or incurred in connection with the institution, prosecution, and resolution of the Action, in an amount not to exceed \$975,000, which may include an application for reimbursement of the reasonable costs and expenses incurred by Lead Plaintiffs directly related to their representation of the Settlement Class. Any fees and expenses awarded by the Court will be paid from the Settlement Fund. Settlement Class Members are not personally liable for any such fees or expenses. If the Court approves Lead Counsel’s fee and expense application, the estimated average cost per affected share of Amedisys common stock will be approximately \$0.40.

6. **Identification of Attorneys’ Representatives:** Lead Plaintiffs and the Settlement Class are represented by John C. Browne, Esq. of Bernstein Litowitz Berger & Grossmann LLP, 1251 Avenue of the Americas, 44th Floor, New York, NY 10020, (800) 380-8496, and Robert C. Finkel, Esq. of Wolf Popper LLP, 845 Third Avenue, 12th Floor, New York, NY 10022, (212) 759-4600.

7. **Reasons for the Settlement:** Lead Plaintiffs’ principal reason for entering into the Settlement is the substantial immediate cash benefit for the Settlement Class without the risk or delays inherent in further litigation. Moreover, the substantial cash benefit provided under the Settlement must be considered against the significant risk that a smaller recovery – or indeed no recovery at all – might be achieved after further contested motions, a trial of the Action and the likely appeals that would follow a trial. This process could be expected to last several years. Defendants, who deny all allegations of wrongdoing or liability whatsoever, are entering into the Settlement solely to eliminate the uncertainty, burden and expense of further protracted litigation.

YOUR LEGAL RIGHTS AND OPTIONS IN THE SETTLEMENT:	
SUBMIT A CLAIM FORM POSTMARKED NO LATER THAN JANUARY 16, 2018.	This is the only way to be eligible to receive a payment from the Settlement Fund. If you are a Settlement Class Member and you remain in the Settlement Class, you will be bound by the Settlement as approved by the Court and you will give up any Released Plaintiffs’ Claims (defined in ¶ 38 below) that you have against Defendants and the other Defendants’ Releasees (defined in ¶ 39 below), so it is in your interest to submit a Claim Form.
EXCLUDE YOURSELF FROM THE SETTLEMENT CLASS BY SUBMITTING A WRITTEN REQUEST FOR EXCLUSION SO THAT IT IS RECEIVED NO LATER THAN NOVEMBER 22, 2017.	If you exclude yourself from the Settlement Class, you will not be eligible to receive any payment from the Settlement Fund. This is the only option that allows you ever to be part of any other lawsuit against any of the Defendants or the other Defendants’ Releasees concerning the Released Plaintiffs’ Claims. Please note: if you decide to exclude yourself from the Settlement Class, you may be time-barred from asserting the claims covered by this Action by the five-year statute of repose set forth in 28 U.S.C. § 1658(b)(2).

² An allegedly affected share might have been traded more than once during the Settlement Class Period, and this average recovery would be the total for all purchasers of that share.

OBJECT TO THE SETTLEMENT BY SUBMITTING A WRITTEN OBJECTION SO THAT IT IS <i>RECEIVED</i> NO LATER THAN NOVEMBER 22, 2017.	If you do not like the proposed Settlement, the proposed Plan of Allocation, or the request for attorneys' fees and reimbursement of Litigation Expenses, you may write to the Court and explain why you do not like them. You cannot object to the Settlement, the Plan of Allocation or the fee and expense request unless you are a Settlement Class Member and do not exclude yourself from the Settlement Class.
GO TO A HEARING ON DECEMBER 13, 2017 AT 11:00 A.M., AND FILE A NOTICE OF INTENTION TO APPEAR SO THAT IT IS <i>RECEIVED</i> NO LATER THAN NOVEMBER 22, 2017.	Any Settlement Class Member may attend the Settlement Hearing. Filing a written objection and notice of intention to appear by November 22, 2017 allows you to speak in Court, at the discretion of the Court, about the fairness of the proposed Settlement, the Plan of Allocation, and/or the request for attorneys' fees and reimbursement of Litigation Expenses. If you submit a written objection, you may (but you do not have to) attend the hearing and, if you also file a notice of intention to appear, speak to the Court about your objection at the discretion of the Court. The hearing is scheduled for December 13, 2017 at 11:00 a.m. but may be adjourned by the Court. Please contact Lead Counsel if you plan to attend.
DO NOTHING.	If you are a member of the Settlement Class and you do not submit a valid Claim Form, you will not be eligible to receive any payment from the Settlement Fund. You will, however, remain a member of the Settlement Class, which means that you give up your right to sue about the claims that are resolved by the Settlement and you will be bound by any judgments or orders entered by the Court in the Action.

WHY DID I GET THIS NOTICE?

8. The purpose of this Notice is to inform you of the existence of this case, that it is a class action, how you might be affected, and how to exclude yourself from the Settlement Class if you wish to do so. It is also being sent to inform you of the terms of the proposed Settlement, and of a hearing to be held by the Court to consider the fairness, reasonableness, and adequacy of the Settlement, the proposed Plan of Allocation and the motion by Lead Counsel for an award of attorneys' fees and reimbursement of Litigation Expenses (the "Settlement Hearing"). See ¶ 77 below for details about the Settlement Hearing, including the date and location of the hearing.

9. The Court directed that this Notice be mailed to you because you or someone in your family or an investment account for which you serve as a custodian may have purchased Amedisys common stock during the Settlement Class Period. The Court has directed us to send you this Notice because, as a potential Settlement Class Member, you have a right to know about your options before the Court rules on the proposed Settlement. Additionally, you have the right to understand how this class action lawsuit may generally affect your legal rights.

10. The issuance of this Notice is not an expression of any opinion by the Court concerning the merits of any claim in the Action, and the Court has not yet decided whether to approve the Settlement. If the Court approves the Settlement and a plan of allocation, then payments to Authorized Claimants will be made after any appeals are resolved and after the completion of all claims processing. Please be patient, as this process can take some time to complete.

WHAT IS THIS CASE ABOUT?

11. This case is a securities class action and is known as *Robert F. Bach, et al., v. Amedisys, Inc., et al.*, Civil Action No. 10-00395-BAJ-RB. The Court in charge of the case is the United States District Court for the Middle District of Louisiana, and the presiding judge is the Honorable Chief Judge Brian A. Jackson.

12. On June 10, 2010, a putative securities class action complaint was filed with the Court. In accordance with the Private Securities Litigation Reform Act of 1995, 15 U.S.C. § 78u-4, notice to the public was issued stating the deadline by which putative class members could move the Court for appointment as lead plaintiff.

13. By Order dated October 21, 2010, the Court appointed Mississippi PERS and Puerto Rico TRS as Lead Plaintiffs for the Action, and approved Lead Plaintiffs' selection of Bernstein Litowitz Berger & Grossmann LLP and Wolf Popper LLP as Lead Counsel, and Richard Ieyoub, Esq. as Liaison Counsel.

14. On January 18, 2011, Lead Plaintiffs filed their Consolidated Securities Class Action Complaint (the "Consolidated Complaint") asserting claims against all Defendants under Section 10(b) of the Securities Exchange Act of 1934 (the "Exchange Act") and Rule 10b-5 promulgated thereunder, and against the Individual Defendants under Section 20(a) of the Exchange Act. The Consolidated Complaint alleged, among other things, that Defendants issued materially false and misleading public statements that misrepresented Amedisys's compliance with Medicare regulations, and failed to disclose that Amedisys's reported revenues, earnings and earnings per share were materially inflated by fraudulent Medicare billing practices. The Consolidated Complaint further alleged that the price of Amedisys common stock was artificially inflated as a result of Defendants' allegedly false and misleading statements and omissions, and declined when the truth was revealed.

15. On March 21, 2011, Defendants moved to dismiss the Consolidated Complaint pursuant to Fed. R. Civ. P. 12(b)(6) for failure to state a claim. Lead Plaintiffs opposed that motion on May 3, 2011, and Defendants filed a reply in support of their motion on May 31, 2011.

16. On June 28, 2012, the Court granted Defendants' motion to dismiss the Consolidated Complaint for failure to adequately allege loss causation.

17. On July 26, 2012, Lead Plaintiffs filed a Motion for Reconsideration of the Court's Opinion and Order Dismissing the Consolidated Complaint and on August 29, 2012, Defendants filed a Response in Opposition to the Motion for Reconsideration.

18. On April 9, 2013, the Court denied Lead Plaintiffs' Motion for Reconsideration.

19. On May 3, 2013, Lead Plaintiffs filed a Notice of Appeal to the U.S. Court of Appeals for the Fifth Circuit from the Court's Orders dated June 28, 2013 and April 9, 2013. On October 2, 2014, the Fifth Circuit unanimously reversed and vacated the District Court's Order. See *Pub. Employees' Ret. Sys. of Miss. v. Amedisys, Inc.*, 769 F.3d 313 (5th Cir. 2014). The Fifth Circuit held that Lead Plaintiffs adequately pled loss causation. Defendants subsequently petitioned the U.S. Supreme Court for writ of *certiorari* and the Supreme Court denied Defendants' petition. See *Amedisys, Inc. v. Pub. Employees' Ret. Sys. of Miss.*, 135 S. Ct. 2892 (2015).

20. On remand, on September 30, 2015, over Defendants' opposition, the District Court granted Lead Plaintiffs' motion for leave to file an amended complaint and, that day, Lead Plaintiffs filed the First Amended Consolidated Securities Class Action Complaint (the "Complaint" or "Amended Complaint").

21. On December 15, 2015, Defendants again moved to dismiss the Complaint, challenging the elements of falsity and scienter. On January 29, 2016, Lead Plaintiffs opposed Defendants' motions to dismiss.

22. On June 21, 2016, with Defendants' motions to dismiss pending before the Court, the Parties held a mediation before the Hon. Daniel Weinstein (retired) in an attempt to resolve the Action. That mediation was unsuccessful.

23. On August 19, 2016, the Court denied Defendants' motions to dismiss in part and granted them in part. The Court sustained Lead Plaintiffs' § 10(b) claims against Defendants Amedisys, Borne, and Jeter, and sustained the § 20(a) claims against Defendants Borne, Jeter, Schwartz, Redman, and Graham. The Court dismissed with prejudice the § 10(b) claims against Defendants Graham, Redman, Giblin, Browne, and Schwartz and dismissed with prejudice the § 20(a) claims against Defendants Giblin and Browne.

24. Discovery was stayed pending the Court's denial of Defendants' motions to dismiss. After the Court's August 19, 2016 decision, the Parties exchanged initial disclosures, served and responded to requests for production of documents and interrogatories, and commenced document production. Defendants produced documents that they previously produced in connection with investigations conducted by the U.S. Securities & Exchange Commission ("SEC"), the U.S. Department of Justice ("DOJ"), and the U.S. Senate Finance Committee, and began collecting and producing to Lead Plaintiffs documents responsive to Lead Plaintiffs' document requests that Defendants had not already produced in connection with those government investigations. Lead Plaintiffs also served seven subpoenas on third parties and issued Freedom of Information Act requests to the DOJ and SEC.

25. On March 23, 2017, Magistrate Judge Bourgeois held a scheduling conference to discuss the Parties' proposed competing schedules for the Action. On May 24, 2017, the Court entered a Scheduling Order, directing, among other things, that briefing on Lead Plaintiffs' motion for class certification be completed by October 27, 2017; a hearing on Lead Plaintiffs' motion for class certification be conducted on November 9, 2017; and that document production related to general fact discovery be substantially completed by October 19, 2017.

26. On June 12, 2017, the Parties participated in a mediation with the Hon. Layn R. Phillips, a former United States District Judge. After a full day of arm's-length negotiations and discussions with Judge Phillips, the Parties reached an agreement in principle to settle the Action that was memorialized in a term sheet executed on June 12, 2017 (the "Term Sheet"). The Term Sheet sets forth, among other things, the Parties' agreement to settle and release all claims asserted in the Action in return for a cash payment of \$43,750,000.00 to be paid by or on behalf of Defendants for the benefit of the Settlement Class.

27. At the time the settlement was reached, Lead Plaintiffs were in the process of working with their market efficiency expert concerning his expert report on class certification issues, which was due to be served on June 19, 2017.

28. On August 4, 2017, the Parties entered into a Stipulation and Agreement of Settlement (the "Stipulation"), which sets forth the terms and conditions of the Settlement. The Stipulation can be viewed at www.AmedisysSecuritiesLitigation.com.

29. On August 21, 2017, the Court preliminarily approved the Settlement, authorized this Notice to be disseminated to potential Settlement Class Members, and scheduled the Settlement Hearing to consider whether to grant final approval of the Settlement.

30. Defendants deny that they have violated the federal securities laws or any other laws. Defendants also have denied and continue to deny specifically each and all of the claims and contentions alleged in the Action.

**HOW DO I KNOW IF I AM AFFECTED BY THE SETTLEMENT?
WHO IS INCLUDED IN THE SETTLEMENT CLASS?**

31. If you are a member of the Settlement Class, you are subject to the Settlement, unless you timely request to be excluded. The Settlement Class consists of:

all persons and entities who or which purchased the publicly traded common stock of Amedisys during the period from August 2, 2005 through September 30, 2011, inclusive (the "Settlement Class Period"), and were damaged thereby.

Excluded from the Settlement Class are: (i) Defendants, and all current and former officers and directors of Amedisys; (ii) members of the Immediate Family and household members of any such person excluded under (i); (iii) any entities affiliated with, controlled by, or more than 5% owned by, any person excluded under (i) and (ii); (iv) any parent, subsidiary or affiliate of Amedisys, including the Amedisys, Inc. 401(k) Plan; and (v) the legal representatives, heirs, successors, or assigns of any person excluded under (i) through (iv). Also excluded from the Settlement Class are any persons or entities that exclude themselves by submitting a request for exclusion in accordance with the requirements set forth in this Notice. See "What If I Do Not Want To Be A Member Of The Settlement Class? How Do I Exclude Myself?," on page 11 below.

PLEASE NOTE: RECEIPT OF THIS NOTICE DOES NOT MEAN THAT YOU ARE A SETTLEMENT CLASS MEMBER OR THAT YOU WILL BE ENTITLED TO RECEIVE MONEY FROM THE SETTLEMENT.

IF YOU ARE A SETTLEMENT CLASS MEMBER AND YOU WISH TO BE ELIGIBLE TO PARTICIPATE IN THE DISTRIBUTION OF PROCEEDS FROM THE SETTLEMENT, YOU ARE REQUIRED TO SUBMIT THE CLAIM FORM THAT IS BEING DISTRIBUTED WITH THIS NOTICE AND THE REQUIRED SUPPORTING DOCUMENTATION AS SET FORTH THEREIN POSTMARKED NO LATER THAN JANUARY 16, 2018.

WHAT ARE THE LEAD PLAINTIFFS' REASONS FOR THE SETTLEMENT?

32. Lead Plaintiffs and Lead Counsel believe that the claims asserted in the Action have merit. Lead Plaintiffs and Lead Counsel recognize, however, the expense and length of continued proceedings necessary to pursue the claims asserted in the Action through trial and appeals, as well as the very substantial risks they would face in establishing liability and damages. In particular, Lead Plaintiffs recognize that Defendants have significant arguments that their alleged misstatements were not materially misleading and that, even if they made materially misleading statements, they did not do so intentionally or recklessly. Lead Plaintiffs also would face challenges with respect to establishing loss causation and class-wide damages. Lead Plaintiffs recognize that Defendants have substantial arguments that the decline in Amedisys's stock price during the Settlement Class Period related to disclosure of facts other than those alleged by Lead Plaintiffs to have been materially false and misleading. Further, Plaintiffs would have had to prevail at several stages – class certification, motion for summary judgment and trial – and if they prevailed at those stages, the appeals that were likely to follow. Thus, there were significant risks attendant to the continued prosecution of the Action.

33. In light of these risks and the immediacy of the \$43,750,000 cash recovery, Lead Plaintiffs and Lead Counsel believe that the proposed Settlement is an excellent result, and is in the best interests of the Settlement Class.

34. Defendants have agreed to the Settlement solely to eliminate the burden and expense of continued litigation. Defendants deny the claims asserted against them in the Action and deny having engaged in any wrongdoing or violation of law of any kind whatsoever.

WHAT MIGHT HAPPEN IF THERE WERE NO SETTLEMENT?

35. If there were no Settlement and Lead Plaintiffs failed to establish any essential legal or factual element of their claims against Defendants, neither Lead Plaintiffs nor the other members of the Settlement Class would recover anything from Defendants. Also, if Defendants were successful in defeating class certification, narrowing the scope of the Class Period, or proving any of their defenses, either at summary judgment, at trial or on appeal, the Settlement Class could recover substantially less than the amount provided in the Settlement, or nothing at all.

HOW ARE SETTLEMENT CLASS MEMBERS AFFECTED BY THE ACTION AND THE SETTLEMENT?

36. As a Settlement Class Member, you are represented by Lead Plaintiffs and Lead Counsel, unless you enter an appearance through counsel of your own choice at your own expense. You are not required to retain your own counsel. Settlement Class Members may enter an appearance through an attorney if they so desire, but such counsel must file and serve a notice of appearance as provided in ¶ 83 below and will be retained at the individual Settlement Class Member's expense.

37. If you are a Settlement Class Member and you do not exclude yourself from the Settlement Class, you will be bound by any orders issued by the Court. If the Settlement is approved, the Court will enter a judgment (the "Judgment"). The Judgment will dismiss with prejudice the Action and will provide that, upon the Effective Date of the Settlement, Lead Plaintiffs and each of the other Settlement Class Members, on behalf of themselves and their respective heirs, executors, administrators, predecessors, successors, and assigns, in their capacities as such, will have fully, finally and forever compromised, settled, released, resolved, relinquished, waived and discharged each and every Released Plaintiffs' Claim (as defined in ¶ 38 below) against Defendants and the other Defendants' Releasees (as defined in ¶ 39 below), and will forever be barred and enjoined from prosecuting any or all of the Released Plaintiffs' Claims against any of the Defendants' Releasees.

38. "Released Plaintiffs' Claims" means any and all claims (including "Unknown Claims"), debts, disputes, demands, rights, actions or causes of action, liabilities, damages, losses, obligations, sums of money due, judgments, suits, amounts, matters, issues and charges of any kind whatsoever (including, not limited to, any claims of interest, attorneys' fees, expert or consulting fees, and any other costs, expenses, amounts, or liabilities whatsoever), whether fixed or contingent, accrued or unaccrued, liquidated or unliquidated, at law or in equity, matured or unmatured, foreseen or unforeseen, whether individual or class in nature, whether arising under federal or state statutory or common law or any other law, rule or regulation, whether foreign or domestic, that Lead Plaintiffs or the Settlement Class: (1) alleged in any complaint filed in the Action, or (2) could have asserted in any forum that arise out of, are based upon, or are related to the facts, allegations, transactions, matters, events, disclosures, non-disclosures, occurrences, representations, statements, acts or omissions or failures to act involved, set forth, or referred to in any complaint filed in the Action and that relate to the purchase of Amedisys common stock during the Settlement Class Period, or that otherwise

would have been barred by *res judicata* had the Action been fully litigated to a final judgment. “Released Plaintiffs’ Claims” do not include any claims to enforce the Settlement.

39. “Defendants’ Releasees” means Defendants and their respective current and former Officers, directors, agents, parents, affiliates, subsidiaries, successors, predecessors, assigns, assignees, employees, Immediate Family members, insurers and reinsurers, accountants, and attorneys, in their capacities as such.

40. “Unknown Claims” means any Released Plaintiffs’ Claims which any Lead Plaintiff or any other Settlement Class Member does not know or suspect to exist in his, her or its favor at the time of the release of such claims, and any Released Defendants’ Claims which any Defendant does not know or suspect to exist in his, her, or its favor at the time of the release of such claims, which, if known by him, her or it, might have affected his, her or its decision(s) with respect to this Settlement. With respect to any and all Released Claims, Lead Plaintiffs and Defendants stipulate and agree that, upon the Effective Date of the Settlement, Lead Plaintiffs and Defendants shall expressly waive, and each of the other Settlement Class Members shall be deemed to have waived, and by operation of the Judgment shall have expressly waived, any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law or foreign law, which is similar, comparable, or equivalent to California Civil Code §1542, which provides:

A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

Lead Plaintiffs and Defendants acknowledge, and each of the other Settlement Class Members shall be deemed by operation of law to have acknowledged, that the foregoing waiver was separately bargained for and a key element of the Settlement.

41. The Judgment will also provide that, upon the Effective Date of the Settlement, Defendants, on behalf of themselves and their respective heirs, executors, administrators, predecessors, successors, and assigns, in their capacities as such, will have fully, finally and forever compromised, settled, released, resolved, relinquished, waived and discharged each and every Released Defendants’ Claim (as defined in ¶ 42 below) against Lead Plaintiffs and the other Plaintiffs’ Releasees (as defined in ¶ 43 below), and shall forever be barred and enjoined from prosecuting any or all of the Released Defendants’ Claims against any of the Plaintiffs’ Releasees.

42. “Released Defendants’ Claims” means any and all claims or causes of action of every nature and description (including “Unknown Claims”), whether arising under federal, state, common or foreign law, that arise out of, are based upon, or relate in any way to the institution, prosecution, or settlement of the claims against Defendants, except for claims relating to the enforcement of the Settlement.

43. “Plaintiffs’ Releasees” means Lead Plaintiffs and their attorneys, including Plaintiffs’ Counsel, and all other Settlement Class Members, and their respective current and former Officers, directors, agents, parents, affiliates, subsidiaries, successors, predecessors, assigns, assignees, employees, Immediate Family members, insurers and reinsurers, accountants, and attorneys, in their capacities as such.

HOW DO I PARTICIPATE IN THE SETTLEMENT? WHAT DO I NEED TO DO?

44. To be eligible for a payment from the proceeds of the Settlement, you must be a member of the Settlement Class and you must timely complete and return the Claim Form with adequate supporting documentation **postmarked no later than January 16, 2018**. A Claim Form is included with this Notice, or you may obtain one from the website maintained by the Claims Administrator for the Settlement, www.AmedisysSecuritiesLitigation.com, or you may request that a Claim Form be mailed to you by calling the Claims Administrator toll free at 877-207-7560 or by emailing the Claims Administrator at info@AmedisysSecuritiesLitigation.com. Please retain all records of your ownership of and transactions in Amedisys common stock, as they may be needed to document your Claim. If you request exclusion from the Settlement Class or do not submit a timely and valid Claim Form, you will not be eligible to share in the Net Settlement Fund.

HOW MUCH WILL MY PAYMENT BE?

45. At this time, it is not possible to make any determination as to how much any individual Settlement Class Member may receive from the Settlement. A Claimant’s recovery will depend upon several factors, including when and at what prices he, she, or it purchased or sold the shares, and the total number of shares for which valid Claim Forms are submitted.

46. Pursuant to the Settlement, Defendants will cause \$43,750,000 to be deposited into an escrow account controlled by Lead Counsel. The Settlement Amount plus any interest earned thereon is referred to as the “Settlement Fund.” If the Settlement is approved by the Court and the Effective Date occurs, the Net Settlement Fund will be distributed to Settlement Class Members

who submit valid Claim Forms, in accordance with the proposed Plan of Allocation or such other plan of allocation as the Court may approve.

47. The Net Settlement Fund will not be distributed unless and until the Court has approved the Settlement and a plan of allocation, and the time for any petition for rehearing, appeal or review, whether by certiorari or otherwise, has expired.

48. Neither the Defendants, the Defendants' insurance carriers, nor any other person or entity that paid any portion of the Settlement Amount on behalf of Defendants is entitled to get back any portion of the Settlement Fund once the Court's order or judgment approving the Settlement becomes Final. Defendants shall not have any liability, obligation or responsibility for the administration of the Settlement, the disbursement of the Net Settlement Fund or the plan of allocation.

49. Approval of the Settlement is independent from approval of a plan of allocation. Any determination with respect to a plan of allocation will not affect the Settlement, if approved.

50. Unless the Court otherwise orders, any Settlement Class Member who fails to submit a Claim Form shall be fully and forever barred from receiving payments pursuant to the Settlement but will in all other respects remain a Settlement Class Member and be subject to the provisions of the Stipulation, including the terms of any Judgment entered and the releases given. This means that each Settlement Class Member releases the Released Plaintiffs' Claims (as defined in ¶ 38 above) against the Defendants' Releasees (as defined in ¶ 39 above) and will be enjoined and prohibited from filing, prosecuting, or pursuing any of the Released Plaintiffs' Claims against any of the Defendants' Releasees whether or not such Settlement Class Member submits a Claim Form.

51. A Claim Form shall be considered timely provided that it is received with a postmark indicated on the envelope and if mailed by first-class mail and addressed in accordance with the instructions thereon. In all other cases, the Claim Form shall be deemed to have been submitted on the date when actually received by the Claims Administrator. Participants in and beneficiaries of the Amedisys, Inc. 401(k) Plan or any other plan covered by the Employee Retirement Income Security Act of 1974 (collectively, an "ERISA Plan") should NOT include any information relating to their transactions in Amedisys common stock held through the ERISA Plan in any Claim Form that they may submit in this Action. They should include ONLY those shares that they purchased outside of the ERISA Plan.

52. The Court has reserved jurisdiction to allow, disallow, or adjust on equitable grounds the Claim of any Settlement Class Member.

53. Each Claimant shall be deemed to have submitted to the jurisdiction of the Court with respect to his, her or its Claim Form.

54. Only Settlement Class Members, *i.e.*, persons and entities who or which purchased Amedisys common stock during the Settlement Class Period and were damaged as a result of such purchases, will be eligible to share in the distribution of the Net Settlement Fund. Persons and entities that are excluded from the Settlement Class by definition or that exclude themselves from the Settlement Class pursuant to request will not be eligible to receive a distribution from the Net Settlement Fund and should not submit Claim Forms.

PROPOSED PLAN OF ALLOCATION

55. The objective of the Plan of Allocation is to distribute the Settlement proceeds equitably among those Settlement Class Members who suffered economic losses as a proximate result of the alleged wrongdoing. The Plan of Allocation is not a formal damage analysis, and the calculations made in accordance with the Plan of Allocation are not intended to be estimates of, or indicative of, the amounts that Settlement Class Members might have been able to recover after a trial. Nor are the calculations in accordance with the Plan of Allocation intended to be estimates of the amounts that will be paid to Authorized Claimants under the Settlement. The computations under the Plan of Allocation are only a method to weigh the claims of Authorized Claimants against one another for the purpose of making *pro rata* allocations of the Net Settlement Fund.

56. In developing the Plan of Allocation, Lead Plaintiffs' damages expert calculated the estimated amount of artificial inflation in the per share closing prices of Amedisys common stock that was allegedly proximately caused by Defendants' alleged false and misleading statements and material omissions. In calculating the estimated artificial inflation allegedly caused by the alleged misrepresentations and omissions, Lead Plaintiffs' damages expert considered price changes in Amedisys common stock in reaction to certain public announcements allegedly revealing the truth concerning Defendants' alleged misrepresentations and material omissions, adjusting for price changes that were attributable to market or industry forces. The estimated artificial inflation in Amedisys common stock is shown in Table A set forth at the end of this Notice.

57. In order to have recoverable damages, disclosure of the alleged misrepresentations or omissions must be the cause of the decline in the price of Amedisys common stock. In this case, Lead Plaintiffs allege that Defendants made false statements and omitted material facts during the period from August 2, 2005 through and including September 30, 2011, which had the effect of artificially inflating the prices of Amedisys common stock. Lead Plaintiffs further allege that corrective disclosures removed artificial inflation from the price of Amedisys common stock on August 12, 2008, September 3, 2009, October 15, 2009, April 27, 2010, May 13, 2010, July 1, 2010, July 13, 2010, September 28, 2010, August 2, 2011, October 3, 2011, and October 4, 2011. In order to have a "Recognized Loss Amount" under the Plan of Allocation, the shares of Amedisys common stock must have been purchased during the Settlement Class Period and held through at least one of these corrective disclosures.

CALCULATION OF RECOGNIZED LOSS AMOUNTS

58. Based on the formula stated below, a “Recognized Loss Amount” will be calculated for each purchase of Amedisys common stock during the Settlement Class Period that is listed on the Proof of Claim Form and for which adequate documentation is provided. If a Recognized Loss Amount calculates to a negative number or zero under the formula below, that Recognized Loss Amount will be zero.

59. For each share of Amedisys common stock purchased during the period from August 2, 2005 through and including the close of trading on September 30, 2011, and:

- (a) Sold prior to the close of trading on August 11, 2008, the Recognized Loss Amount will be \$0.00.
- (b) Sold during the period from August 12, 2008 through the close of trading on October 3, 2011, and held through at least one of the alleged corrective disclosures identified above in ¶ 57, the Recognized Loss Amount will be **the lesser of**: (i) the amount of artificial inflation per share stated in Table A on the date of purchase minus the amount of artificial inflation per share stated in Table A on the date of sale; or (ii) the purchase price minus the sale price.
- (c) Sold during the period from October 4, 2011 through and including the close of trading on December 30, 2011, the Recognized Loss Amount will be **the least of**: (i) the amount of artificial inflation per share stated in Table A on the date of purchase; (ii) the purchase price minus the sale price; or (iii) the purchase price minus the average closing price between October 4, 2011 and the date of sale stated in Table B at the end of this Notice.
- (d) Held as of the close of trading on December 30, 2011, the Recognized Loss Amount will be **the lesser of**: (i) the amount of artificial inflation per share stated in Table A on the date of purchase; or (ii) the purchase price minus \$11.64, the average closing price for Amedisys common stock between October 4, 2011 and December 30, 2011 (the last entry on Table B).³

ADDITIONAL PROVISIONS

60. The Net Settlement Fund will be allocated among all Authorized Claimants whose Distribution Amount (defined in ¶ 63 below) is \$10.00 or greater.

61. If a Settlement Class Member has more than one purchase or sale of Amedisys common stock, purchases and sales will be matched on a Last In, First Out (“LIFO”) basis. Under the LIFO methodology, sales of Amedisys common stock will be matched first against the most recent prior purchases in reverse chronological order, and then against holdings at the beginning of the Settlement Class Period.

62. A Claimant’s “Recognized Claim” under the Plan of Allocation will be the sum of his, her, or its Recognized Loss Amounts.

63. The Net Settlement Fund will be distributed to Authorized Claimants on a *pro rata* basis based on the relative size of their Recognized Claims. Specifically, a “Distribution Amount” will be calculated for each Authorized Claimant, which will be the Authorized Claimant’s Recognized Claim divided by the total Recognized Claims of all Authorized Claimants, multiplied by the total amount in the Net Settlement Fund. If any Authorized Claimant’s Distribution Amount calculates to less than \$10.00, it will not be included in the calculation and no distribution will be made to that Authorized Claimant.

64. Purchases and sales of Amedisys common stock will be deemed to have occurred on the “contract” or “trade” date as opposed to the “settlement” or “payment” date. The receipt or grant by gift, inheritance, or operation of law of Amedisys common stock during the Settlement Class Period will not be deemed a purchase or sale of Amedisys common stock for the calculation of an Authorized Claimant’s Recognized Loss Amount, nor will the receipt or grant be deemed an assignment of any claim relating to the purchase of Amedisys common stock unless (i) the donor or decedent purchased the shares during the Settlement Class Period; (ii) no Claim Form was submitted by or on behalf of the donor, on behalf of the decedent, or by anyone else with respect to those shares; and (iii) it is specifically so provided in the instrument of gift or assignment.

³ Under Section 21(D)(e)(1) of the Exchange Act, “in any private action arising under this Act in which the plaintiff seeks to establish damages by reference to the market price of a security, the award of damages to the plaintiff shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the plaintiff for the subject security and the mean trading price of that security during the 90-day period beginning on the date on which the information correcting the misstatement or omission that is the basis for the action is disseminated to the market.” Consistent with the requirements of the statute, Recognized Loss Amounts are reduced to an appropriate extent by taking into account the closing prices of Amedisys common stock during the 90-day look-back period. The mean (average) closing price for Amedisys common stock during this 90-day look-back period was \$11.64.

65. The date of covering a “short sale” is deemed to be the date of purchase of the Amedisys common stock. The date of a “short sale” is deemed to be the date of sale of Amedisys common stock. Under the Plan of Allocation, however, the Recognized Loss Amount on “short sales” is zero. In the event that a Claimant has an opening short position in Amedisys common stock, his, her, or its earliest Settlement Class Period purchases of Amedisys common stock will be matched against the opening short position, and not be entitled to a recovery, until that short position is fully covered.

66. Option contracts are not securities eligible to participate in the Settlement. With respect to shares of Amedisys common stock purchased or sold through the exercise of an option, the purchase/sale date of the Amedisys common stock is the exercise date of the option and the purchase/sale price of the Amedisys common stock is the exercise price of the option.

67. If a Claimant had a market gain with respect to his, her, or its overall transactions in Amedisys common stock during the Settlement Class Period, the value of the Claimant’s Recognized Claim will be zero, and the Claimant will in any event be bound by the Settlement. If a Claimant suffered an overall market loss with respect to his, her, or its overall transactions in Amedisys common stock during the Settlement Class Period but that market loss was less than the Claimant’s total Recognized Claim calculated above, then the Claimant’s Recognized Claim will be limited to the amount of the actual market loss.

68. For purposes of determining whether a Claimant had a market gain with respect to his, her, or its overall transactions in Amedisys common stock during the Settlement Class Period or suffered a market loss, the Claims Administrator will determine the difference between (i) the Total Purchase Amount⁴ and (ii) the sum of the Total Sales Proceeds⁵ and Holding Value.⁶ This difference will be deemed a Claimant’s market gain or loss with respect to his, her, or its overall transactions in Amedisys common stock during the Settlement Class Period.

69. After the initial distribution of the Net Settlement Fund, the Claims Administrator will make reasonable and diligent efforts to have Authorized Claimants cash their distribution checks. To the extent any monies remain in the fund nine (9) months after the initial distribution, if Lead Counsel, in consultation with the Claims Administrator, determine that it is cost-effective to do so, the Claims Administrator will conduct a re-distribution of the funds remaining after payment of any unpaid fees and expenses incurred in administering the Settlement, including for such re-distribution, to Authorized Claimants who have cashed their initial distributions and who would receive at least \$10.00 from such re-distribution. Additional re-distributions to Authorized Claimants who have cashed their prior checks and who would receive at least \$10.00 on such additional re-distributions may occur thereafter if Lead Counsel, in consultation with the Claims Administrator, determine that additional re-distributions, after the deduction of any additional fees and expenses incurred in administering the Settlement, including for such re-distributions, would be cost-effective. At such time as it is determined that the re-distribution of funds remaining in the Net Settlement Fund is not cost-effective, the remaining balance shall be contributed to non-sectarian, not-for-profit, 501(c)(3) organization(s), to be recommended by Lead Counsel and approved by the Court.

70. Payment pursuant to the Plan of Allocation, or such other plan of allocation as may be approved by the Court, shall be conclusive against all Authorized Claimants. No person shall have any claim against Lead Plaintiffs, Plaintiffs’ Counsel, Lead Plaintiffs’ damages expert, Defendants, Defendants’ Counsel, or any of the other Plaintiffs’ Releasees or Defendants’ Releasees, or the Claims Administrator or other agent designated by Lead Counsel arising from distributions made substantially in accordance with the Stipulation, the plan of allocation approved by the Court, or further orders of the Court. Lead Plaintiffs, the Defendants and their respective counsel, and all other Defendants’ Releasees, shall have no responsibility or liability whatsoever for: the investment or distribution of the Settlement Fund or the Net Settlement Fund; the plan of allocation; the determination, administration, calculation, or payment of any Claim Form or nonperformance of the Claims Administrator; the payment or withholding of Taxes; or any losses incurred in connection therewith.

71. The Plan of Allocation set forth herein is the plan that is being proposed to the Court for its approval by Lead Plaintiffs after consultation with its damages expert. The Court may approve this plan as proposed or it may modify the Plan of Allocation without further notice to the Settlement Class. Any orders regarding any modification of the Plan of Allocation will be posted on the settlement website, www.AmedisysSecuritiesLitigation.com.

⁴ The “Total Purchase Amount” is the total amount the Claimant paid (excluding commissions and other charges) for Amedisys common stock purchased during the Settlement Class Period.

⁵ The “Total Sales Proceeds” shall be the total amount received (not deducting any commissions and other charges) for sales of Amedisys common stock that was both purchased and sold by the Claimant during the Settlement Class Period. The LIFO method as described in paragraph 61 will be applied for matching sales to prior purchases.

⁶ The Claims Administrator will ascribe a value of \$11.53 per share for Amedisys common stock purchased during the Settlement Class Period and still held as of the close of trading on September 30, 2011 (the “Holding Value”). The Holding Value is based on the closing price of Amedisys common stock on October 4, 2011.

**WHAT PAYMENT ARE THE ATTORNEYS FOR THE SETTLEMENT CLASS SEEKING?
HOW WILL THE LAWYERS BE PAID?**

72. Plaintiffs' Counsel have not received any payment for their services in pursuing claims asserted in the Action on behalf of the Settlement Class, nor have Plaintiffs' Counsel been reimbursed for their out-of-pocket expenses. Before final approval of the Settlement, Lead Counsel will apply to the Court for an award of attorneys' fees for all Plaintiffs' Counsel in an amount not to exceed 20% of the Settlement Fund. At the same time, Lead Counsel also intend to apply for reimbursement of Litigation Expenses in an amount not to exceed \$975,000, which may include an application for reimbursement of the reasonable costs and expenses incurred by Lead Plaintiffs directly related to their representation of the Settlement Class. The Court will determine the amount of any award of attorneys' fees or reimbursement of Litigation Expenses. Such sums as may be approved by the Court will be paid from the Settlement Fund. Settlement Class Members are not personally liable for any such fees or expenses.

**WHAT IF I DO NOT WANT TO BE A MEMBER OF THE SETTLEMENT CLASS?
HOW DO I EXCLUDE MYSELF?**

73. Each Settlement Class Member will be bound by all determinations and judgments in this lawsuit, whether favorable or unfavorable, unless such person or entity mails or delivers a written Request for Exclusion from the Settlement Class, addressed to *Amedisys Securities Litigation, EXCLUSIONS*, c/o A.B. Data, Ltd., P.O. Box 173001, Milwaukee, WI 53217. The exclusion request must be **received no later than November 22, 2017**. You will not be able to exclude yourself from the Settlement Class after that date. Each Request for Exclusion must: (a) state the name, address, and telephone number of the person or entity requesting exclusion, and in the case of entities, the name and telephone number of the appropriate contact person; (b) state that such person or entity "requests exclusion from the Settlement Class in *Robert F. Bach, et al. v. Amedisys, Inc., et al.*, Case No. 1:10-cv-00395 (M.D. La.)"; (c) state the number of shares of Amedisys common stock that the person or entity requesting exclusion (x) owned as of the close of trading on August 1, 2005 and December 30, 2011, and (y) purchased and/or sold from August 2, 2005 through December 30, 2011, inclusive, as well as the number of shares, dates and prices for each such purchase and/or sale; and (d) be signed by the person or entity requesting exclusion or an authorized representative. A Request for Exclusion shall not be valid and effective unless it provides all the information called for in this paragraph and is received within the time stated above, or is otherwise accepted by the Court. Lead Counsel may, at their discretion, request from any person or entity requesting exclusion documentation sufficient to prove the holding, purchase and sale information provided, no later than November 30, 2017. Such documentation must be provided within five business days of receipt of the request and, in the absence of production of the requested documentation, the Court may reject the request for exclusion from the Settlement Class.

74. If you do not want to be part of the Settlement Class, you must follow these instructions for exclusion even if you have pending, or later file, another lawsuit, arbitration, or other proceeding relating to any Released Plaintiffs' Claim against any of the Defendants' Releasees. **Please note:** if you decide to exclude yourself from the Settlement Class, you may be time-barred from asserting the claims covered by this Action by the five-year statute of repose set forth in 28 U.S.C. § 1658(b)(2).

75. If you ask to be excluded from the Settlement Class, you will not be eligible to receive any payment from the Net Settlement Fund.

76. Defendants have the right to terminate the Settlement if valid requests for exclusion are received from persons and entities entitled to be members of the Settlement Class in an amount that exceeds an amount agreed to by Lead Plaintiffs and Defendants.

**WHEN AND WHERE WILL THE COURT DECIDE WHETHER TO APPROVE THE SETTLEMENT?
DO I HAVE TO COME TO THE HEARING?
MAY I SPEAK AT THE HEARING IF I DON'T LIKE THE SETTLEMENT?**

77. The Settlement Hearing will be held on December 13, 2017 at 11:00 a.m., before the Honorable Chief Judge Brian A. Jackson at the United States District Court for the Middle District of Louisiana, United States Court House, Courtroom 2, 777 Florida Street, Baton Rouge, LA 70801. However, the Settlement Hearing may be adjourned by the Court without further written notice to the Settlement Class. If you plan to attend the Settlement Hearing, you should confirm the date and time with Lead Counsel. The Court reserves the right to approve the Settlement, the Plan of Allocation, Lead Counsel's motion for an award of attorneys' fees and reimbursement of Litigation Expenses and/or any other matter related to the Settlement at or after the Settlement Hearing without further notice to the members of the Settlement Class.

78. Settlement Class Members do not need to attend the Settlement Hearing. Settlement Class Members do not need to appear at the Settlement Hearing or take any other action to indicate their approval.**
